

Athens, 20/10/2010

Ref. No. 20.2

Carpatho-Balkan
Geological Association

Dear Colleagues,

The XIX congress of the Carpatho-Balkan Geological Association (CBGA2010) which held on Sept 23-26/2010, in Thessaloniki, finished successfully with 797 participants and 550 papers from 40 countries.

The organization was successful mainly thanks to the chairman of the Congress, Prof George Christofides and the members of the Organizing Committee, who worked actively.

The Executive Committee of the Geological Society of Greece, congratulates the organizing committee of the congress and wishes a useful future scientific collaboration in the framework of the CBGA.

The Executive Committee of the Geological Society of Greece, congratulates the organizing committee of the congress and wishes a usefull future scientific collaboration in the framework of the CBGA. Furthermore, The executive committee of the GSG decided to nominate Prof. George Christofides as its representative of Greece in the Council of the CBGA.

Sincerely Yours

Sincerely Yours

The Chairman of G.S.G
