

## CBGA 2018 – AUSTRIA

XXI International Congress of the Carpathian Balkan Geological Association (**CBGA**) to be held at the University of Salzburg (Austria), on **September 10–13, 2018**.

### Call for sessions

We call for proposals of sessions to **General Themes (GT)** and **Special Themes (ST)** to be held at the XXI International Congress of the Carpathian Balkan Geological Association (CBGA) in Salzburg, Austria, on **September 10–13, 2018**. We particularly ask for interdisciplinary sessions with focus on distinct topics covering different fields of basic and applied geosciences dealing with Southeast European Mountain belts stretching from Eastern Alps to westernmost Turkey. Furthermore, we encourage convenors to operate as guest editors publishing results of the session in an international geosciences journal after the congress. Minimum contributions for an anticipated session: 12 contributions (maximum six oral presentations from twelve contributions). The description of the planned session must include:

- Title of the planned session
- Names, addresses, Email addresses of 2 to max. 4 convenors
- Description of the session (ca. 5 – 8 lines)
- Details to which General Themes the session may fit (see [www.cbga.ac.at](http://www.cbga.ac.at)) or Special Themes
- Potentially, details of a planned special issue in an international journal after meeting

**Deadline for session proposals: November 30, 2017**

**Send the proposal to:** [CBGA.2018@sbg.ac.at](mailto:CBGA.2018@sbg.ac.at)

No.	General Theme	No.	General Theme
GT-1	Earth System Sciences	GT-9	Geophysics and Seismology
GT-2	Stratigraphy, Palaeontology and Palaeogeography	GT-10	Economic Geology
GT-3	Sedimentology, Facies Analysis	GT-11	Energy Ressources (Hydrocarbon, Geothermy)
GT-4	Magmatism	GT-12	Hydrogeology
GT-5	Metamorphism	GT-13	Geohazards
GT-6	Mineralogy	GT-14	Engineering Geology and Urban Geology
GT-7	Tectonics	GT-15	Cultural heritage
GT-8	Quaternary Geology and Landscape Evolution	GT-16	Education in Geology and Public Awareness

**Special Sessions:** Sessions not fitting to General Themes can be proposed as Special Sessions.
